“Be the change you want to see in the world.” (Mahatma Ghandi)

In August 2010, we linked our appeal for money to the GAY GAMES in Cologne.

I exercised for almost two years and learned the necessary skills for 200 IM (individual medley) as well as I could. That wasn't easy at all but worth the effort: With donations of EURO 5.721,44 we were going to support projects with the KINDERSCHUTZBUND GLADBECK E.V. (The Children's Therapy Department of Children's Services in Gladbeck) and FREIO E.V. RHEIN-ERFTKREIS (Initiative against sexualised violence against children). Please find further information on www.in-childrens-eyes.org/english/cologne2010.pdf.

Adult offenders exploit the children's need of attention and closeness to satisfy their own demands for power, dominance, and their sexual needs. Especially disabled and mentally ill children are easy prey.

2011 I asked once again for your support as I was looking forward to running the BOSTON MARATHON on 18th April 2011! On medical advice I couldn't be part of the race as my physical conditions weren't that good to expose the extreme stress of a marathon.

I am happy to be able to run the marathon in BOSTON this year on 16th of April 2012. I am looking forward to get enormous attention for the good cause and hope to receive numerous donations for IN CHILDREN'S EYES!
